I hope that you received both faxes as our feeder couldn't handle that many pages and I was a little slow adding the rest to the fax. I also hope that everything makes sense - I normally go a little further and list a page contents, etc., but I was in a rush yesterday as I was leaving a little after noon to bring [REDACTED] appointment. Good luck in court today.

Got the fax – thanks for getting it to me so quickly! I'll email you tomorrow with a status update.
